

# Adding servicelloyds.com as a Trusted Site

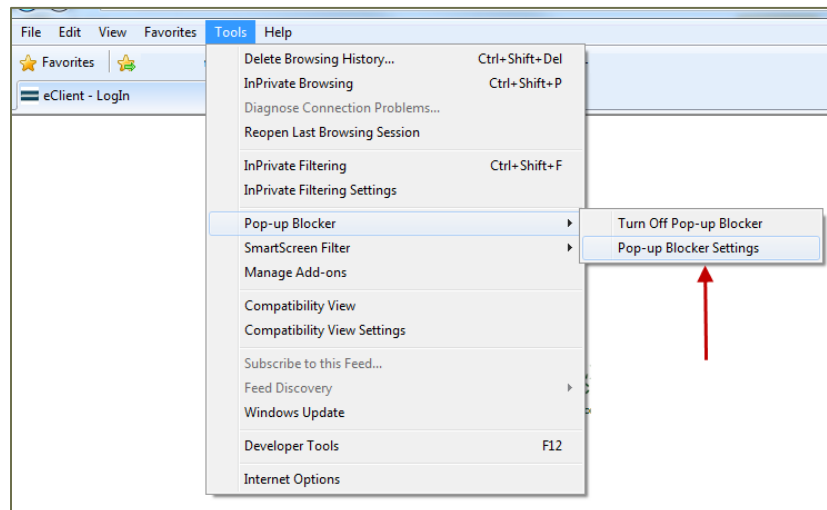

## Why do I have to allow pop-ups for [www.servicelloyds.com](http://www.servicelloyds.com)?

In order to access and use all the features of eClient – and required if you are to make online payments – you must allow pop-ups on this website. You do not have to allow all pop-ups for all websites. Follow the instructions below to allow pop-ups for [www.servicelloyds.com](http://www.servicelloyds.com).

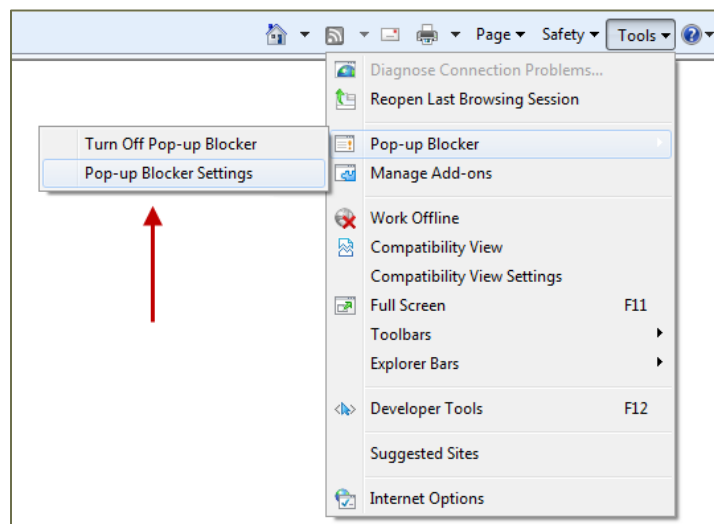

### Internet Explorer

1. Manage your pop-up blocker settings by selecting “Pop-Up Blocker” from the Tools menu (either option 1 or 2, below).

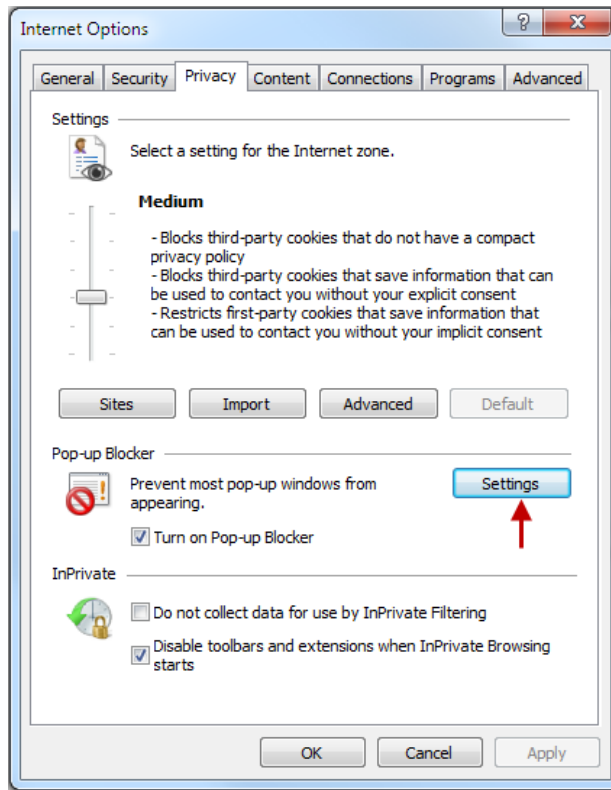

Option 1:

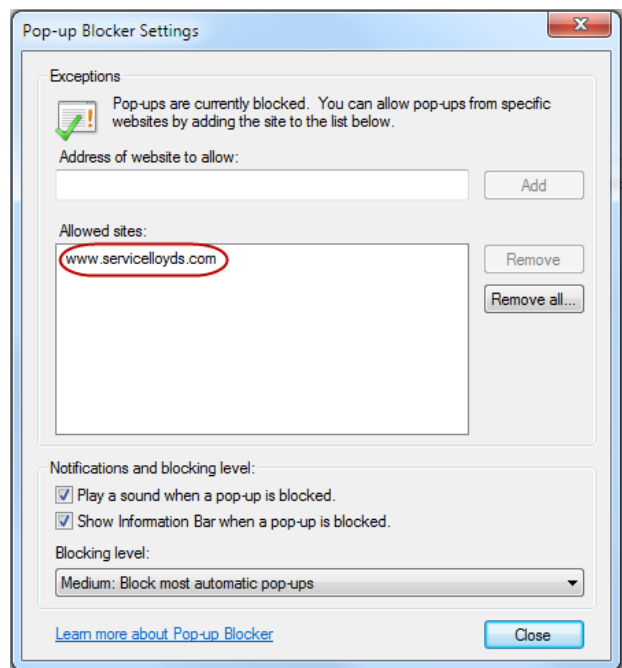

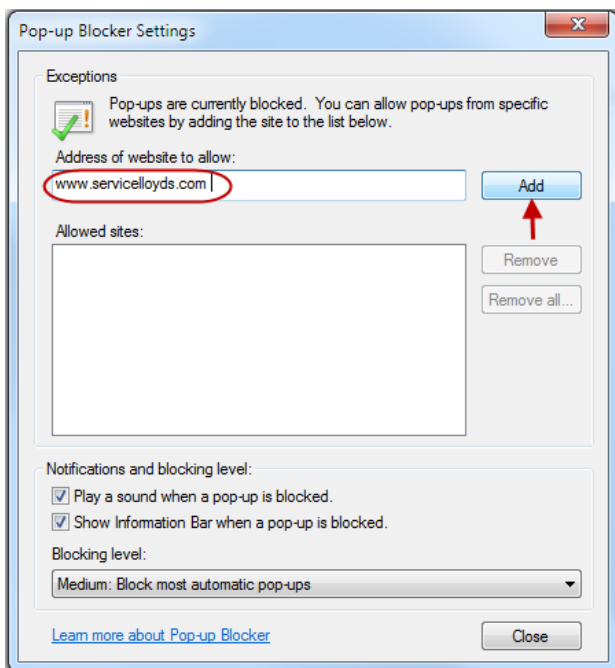

Option 2:

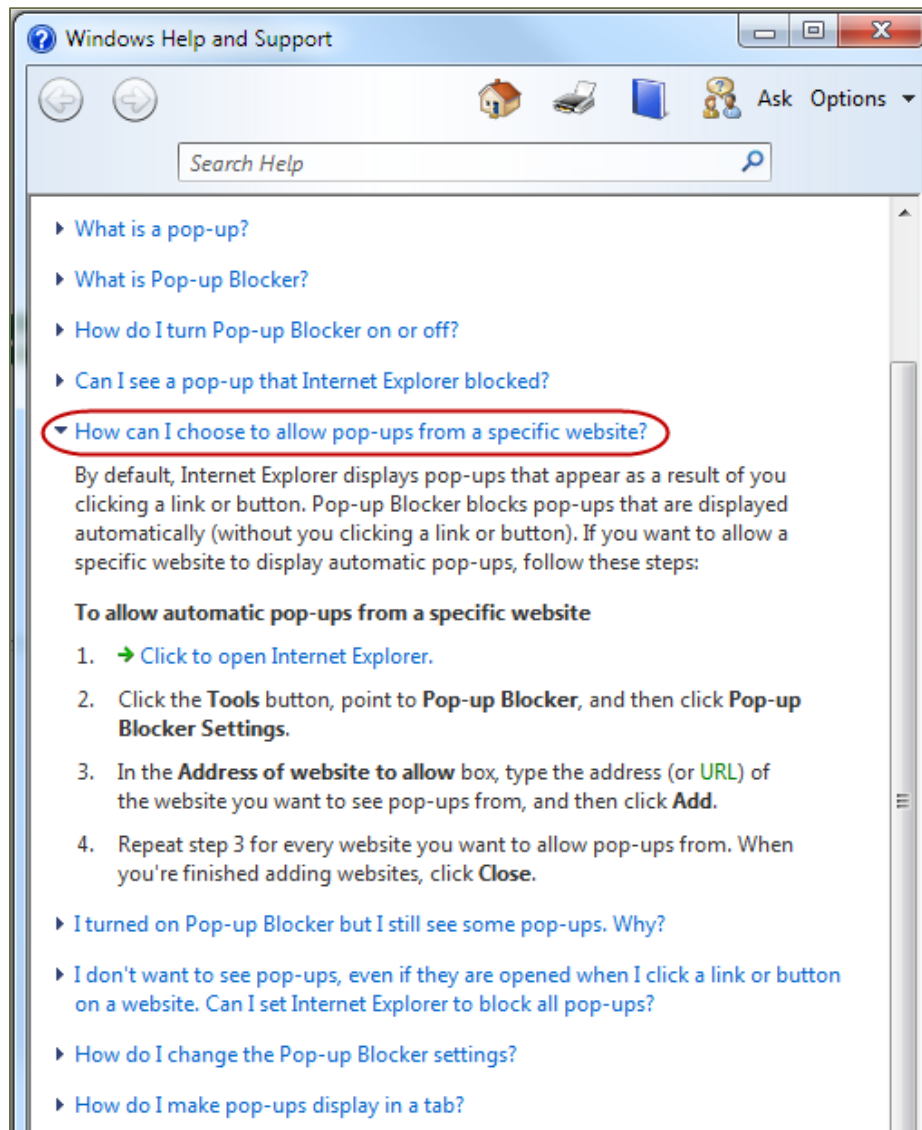

Note: You can also select “Internet Options” from either of the Tools menus; select the “Privacy” tab, and click “Settings” next to “Pop-up Blocker.”

2. Enter [www.servicelloyds.com](http://www.servicelloyds.com) under “Address of website to allow:” then click “Add.” It will then appear in your list of Allowed sites:

Click on the “Learn more about Pop-up Blocker” link at the bottom of the settings window to read more:

### If you still need help

If you are experiencing issues not addressed in this document, please contact your eClient administrator. If you are employed at an insurance agency, you likely have an on-site administrator. Otherwise, please contact:
